“ *So many early memories of your parents and your brother, Russ and you, the little one. Many memories of such a close knit church unit, really a family. And always so lucky to run into your parents at Steak n Shake in Casselberry after we had been to our respective churches. I simply expected to run into them every time, and when perhaps we missed them for one reason or another, I would truly be disappointed. It's hard, as I know, but know that my prayers and love are with you and your family, always. Love, Terri Saville Matern*
