“ My name is Phoebe Lindsey, maiden name Brownig, I grew up just up the road from Jimmy and his family and went to the same school, he was a year or two ahead of me. I've often wondered what happened to him, actually tried to find him a few years ago. Jimmy was one of the sweetest friends I had, alway willing to take me for a ride in his mustang. When he'd pass me in the hall in school, he'd pop me on the head with a composition book, just to say hi. I loved Jimmy and am so sad to find he's passed away.

“ My deepest sympathy goes out to the family. Jimmy and I worked together at rev group. We were close friends and I enjoyed his laughter and his funny jokes. He will be greatly missed because he was a very fun witty Young man.. May the peace of God keep the family through this troublesome time. Donald Twitty.
