

Jane Ann (Fedderly) Waldrop

April 8, 1936 - September 16, 2024

Jane Ann (Fedderly) Waldrop of Wisconsin Dells passed away peacefully with her daughter by her side. Jane was born on April 8, 1936, and left this world on September 16, 2024.

Jane began her ambition as a student of nursing, but later followed in the footsteps of her late parents, Paul and Corinne Fedderly, who owned businesses in Wisconsin Dells. There, Jane successfully owned and operated souvenir/gift stores and was most proud of one in particular - the What Not Shop.

Jane was fun loving, kind, full of wit and a woman who knew how to have a great time. She loved traveling with her late husband Marlin Waldrop, especially RVing together. Their favorite destination became Arizona, where they eventually bought a second home in Apache Junction.

She loved spending time with family the most - playing cards or dice, as well as having special late-night talks.

Jane was predeceased by her late husband Marlin Waldrop, her parents Paul and Corinne (Marston) Fedderly, her two sisters Carol Cappy and Betty Milton as well as many beloved friends and relatives.

Surviving Jane are her sister Kay (Dean) O'Neil of Maricopa AZ, her three children with her first husband, Kenneth (better known as Knute) Gavinski - son Brad (Marcia) Gavinski of Mesa, AZ, son Timothy Gavinski of Berkley, CA and daughter Nancy (Kathy Van Buren) Gavinski of Kissimmee, FL, grandson Travis (Wendy) Gavinski of Monona WI, grandson Patrick (Rachel) Gavinski of Austin TX along with four great grandchildren, Kylie, Max, Sedona and Windsor and many nieces and nephews.

A private family Celebration of life will be held in the near future. Jane will be missed dearly by all who knew her.

“ So many amazing memories of my Auntie Jane. A lifetime of hugs, talks, games, joking around, and simply just being together. To say I miss her is an understatement. I hope you are enjoying time with Marlin, Nana and Bompá, and your sisters. Until I get to see you again, keep sharing your one liners, they are the best! <3 <3 <3

“ Dean and I were able have her live with us for 9 great years. Jane an I played cards during cocktail time most nights. Happy she finally saw I finally had a figure as for years she said it was like a boys figure. I taught her it was time to get an Ipad..Plus how to use it. Once she got the hang of it,it was with her at all the time. In the car etc. love reading the books. No more pocket books for her.. Miss her is all I can say
