“ Lamento mucho esta enorme perdida y sintiendo el dolor que su familia están pasando, quiero compartir la esperanza de que muy pronto "va haber una resurrección de parte de Dios", como nos dice la Biblia en Hechos 24:15. Ánimo y fortaleza para toda su familia en estos momentos dolorosos.

“ Qué tristeza perder un familiar en la muerte. Jehová el Dios de todo consuelo sabía eso y por ello nos brinda su apoyo y fortaleza atreves de su Santa Palabra La Biblia. En ella nos deja ver como se eliminará la muerte para siempre y no habrá más lágrimas, ni sufrimiento: Juan 5: 28- cito: “No se maravillen de esto, porque viene la hora en que todos los que están en las tumbas conmemorativas oirán su voz y saldrán.....” Apocalipsis (Revelación) 21: 4 – nos da la siguiente promesa; “Y limpiará toda lágrima de sus ojos, y la muerte no será más....” Qué maravilla, la muerte será tragada, así lo registra Isaías 25:8 ¡Qué maravillosa esperanza que no haya más muerte y la vez se nos dé el privilegio de volver a ver a nuestro ser amado. Estas y muchas otras promesas se cumplirán, así lo promete Dios, y él no puede mentir. Espero que estas palabras le ayuden a lidiar con su dolor y le dé luz de esperanza.

“ Fue muy poco lo que te conocí, pero ahora estás en un lugar hermoso, descansando al lado de quien nos envía a la tierra prestafos "Dios" Mi mas sentido pesame a a Tio Tite y titi Gloria. No conosco el amor de hijo pero me imagino que es un dolor inmenso tener que despedirse de quien se le da la vida. Solo le pido a Dios que le de las fuerzas ncesarias para llevar esto. Y a sus hijos mi sincero pesame xq es un dolor inexplicable y una perdida que no superamos. Solo nos queda aferrarnos a Dios que es el unico que nos fortalese en todo momento y mas en un momento como este. Descansa en Paz Janet.

“ Janet, hay luto en mi corazon, me cuesta aceptar tu muerte, quiero creer q es un sueño, que mañana despertare y tu estaras aqui. Dios sabe que tu viviste tu vida a tu manera, disfrutaste todo lo quisiste disfrutar pero por sobre todas las cosas nos hiciste feliz a todos los que te conocimos. No intentemos saber o entender porque se fue de nuestro lado, la vida es así, ahora está descansando en paz eternamente. Su muerte no debe ponernos tristes, entendamos que ahora su espíritu está tranquilo, mientras estuvo entre nosotros fue muy feliz, Su partida a enlutado nuestras almas, pero entendamos que la vida tiene un inicio y un fin, y mientras ella estuvo aquí, disfruto cada momento al máximo. Janet y como siempre me decias "PA QUE LO SEPAS" jamas te olvidare, siempre viviras en mi corazon!!!

“ Hector and I extend our deepest sympathy to the entire family. We were so sorry to hear of Janet's passing. I have very fond memories of time spent with Janet. They were times of typical female chatter, laughter, and tears. I pray that you will feel God's arms wrapped around you during this very difficult time . Love, Bonnie and Hector

“ I'm speechless, it's not sinking in yet I'm so in shock, my heart feels so sad for the family. I send my deepest condolences to all of Janet's loved ones. I will never forget her gentle and kind heart, how she made me feel important on the block of 16st. Her smile was always a special attribute, every time I saw on the block she'd be smiling like if nothing in the world was wrong, like all was perfect. She will be remembered as a beautiful and gentle soul...Rest in Peace Janet 😞

Janet, i was blessed to grow up with all the Alvarez ladies. I think i spent more time at your house than my own lol. I know we used to get on your nerves all of us together, but those were great times that i cherish everyday. My most memorable times with you was a deep conversation we had about journeys life had taken you through at Tito's retirement, i always remember that because you kept asking me if you were talking too much ... You never talked too much my sister.. Thank you for loving and trusting in me and sharing things only we will know. Love you always until we get to sit and chat and enjoy eachothers company again.. Our guardian angel along so many others that you have joined. Besitos always.

“ *Dear Titi Janet... I'm not even sure where to start. Growing up wasn't always easiest but you were always there for me and mami. You were more of an aunt to me than my own. Even though we lost touch and time has flown by you are and will always be my titi. It breaks my heart that your gone but I hope that you're resting peacefully holding Little's hand smiling that beautiful smile of yours. I love you....*

To your family I'm so sorry for your loss... I wish there were words that could bring you peace. All I can say is continue being the best family you can be. My thoughts and prayers are with you all. I love you!

“ *My Beautiful Cousin Janet,*

As I type this I still cannot believe that you are gone. I want you to know that I never considered you to be my cousin, to me you were my SISTER! Thank you for always being the sister that I never had. If it weren't for you, Brenda, Yvette and Deli I would have never known what it was like to have a sister! You all mean the world to me! I'm so happy that I got to see you and the holidays with you last year. I will miss you immensely. You have been fitted for your wings - fly and be free as your suffering has ended. I love you, until we meet again! Say hi to my mom, Joey, Grandma and Little for me! Rest In Peace My Love!

“ My mother, raised me to be the wise young girl I am today. I will miss you dearly. You were always by my side as a protector, a supporter, and as a mom. I'll always remember those days that we stood up all night binge watching family feud and the days we laughed to absolutely nothing just for pure joy. You were there when I needed you for any problems. Even if you are gone your still planted deep in to my heart and our memories are playing in my mind endlessly. No one could ever and would never replace our bond of Mother and Daughter. I love you so much and will forever admire your strength throughout everything life had thrown your way. I will always love you, my Mother.

With much love, your Daughter Heavenly.

“ Titi Janet , you are truly an inspiration. You're endured so much pain in your life, yet you kept going. You and I weren't super close, but we still loved each other immensely. Thank you for braiding my hair when I didn't feel like touching it. And thank you for staying so strong, no one could have asked more from you. Things are never going to be the exact same without you, but now we have a beautiful guardian angel watching over us every day. Thank you for being in my life, God Bless you Titi.

“ *To my mother, it hurts me so much that as a mommas boy, I wasn't there to help you get through the suffering. I was busy trying to make it big so that I can take care of you and give you the life that of happiness and less pain from what you been through. I want you to know that no matter what we been through I loved you unconditionally. You gave me life and I'm grateful for the journey that we been through together. I will make sure that I hold you and my older brother little on my back as Angels and take care of my siblings. I want you to know that no matter what you made me who I am today. As I go on my journey, it will be in all my power that I succeed just for you.*

We offer our deepest condolences to the family. Janet and I had a friendship of sisters when we were teenagers. We shared good times and sad times however always managed to have a good laughter along the way. We unfortunately allowed life to get the best of us and did not keep in touch. However in August 2014 we were able to see each and it was like old times. We had a good time reminiscing about our friendship. She did not hesitate pulling out the old photo albums and we once again shared more laughter. There are no words that can express the sadness we feel and I know I am a better person today for having had her my life. Love you always and forever my beautiful friend.. Rest in peace. We will keep the family in my thoughts and prayers. Love Carmen, Patrick, Marixsa and family.

I feel privileged to have had you as my best friend while in High School. How I enjoyed going to your house spending time with you and your family. What I regret most is having lost contact with you as we went our separate ways, but felt blessed to have been able to see you a few years back as if we'd seen each other the day before. How funny is life that we both have sons named Nicholas and Justin. I know in my heart that you are in a better place where there is no pain. You will forever live in my heart my sweet friend - I will always have your smile and your laugh implanted in my brain - always in my thoughts and prayers. Rest well, Sandra Dominguez
