“ I just heard of the passing of Janet. I went to school with Janet at St. Anthony's School and we graduated in 1958. My husband and I had visited with Janet and Moe in Orlando several years ago and would communicate by email.

Please accept my condolences on the passing of your mother and I am sorry that I am just hearing of her passing now.

“ *I grew up with Jan and my sister Pauline (who died last July) in the late 40's, 50's and early 60's. Those years are now precious memories. Jan is my older sister and I looked up to her and remember her as a strong, quick-tempered girl with a heart of gold. I remember how the five of us would kneel around my father's bed every night at 7:00 to say the rosary...in French. On May 28th of this year, I told Jan I went to the cemetery where my parents are buried (it was the 25th anniversary of our mom's death) and said a rosary, partly in French. As I said it, I imagined us together again around my dad's bed. It was such an emotional moment, I almost couldn't finish the prayers. Sharing memories was something Jan and I always did when we talked. I'm going to miss those talks. There is no one left who lived those wonderful family experiences with me. I never realized how lonely it would feel when my big sister would be gone, but it has really struck home now. I take consolation that she , like my mom, dad, and Pauline are with God and our next full family reunion is not too far away.*

My love to everyone,

Ron
