“ *In honor of your favorite color blue I light this candle for you. You were an amazing mother in law, you loved me as if I was your own daughter and you will never know how much that meant to me. You always had my back and defended me to your baby boy. The one thing that bonded us and will continue our bond is the love we have for your son. You will be truly missed and I hope until your last breath you knew how much you were loved by me, your grandkids and your son. We hope we did you proud until the end, we aren't perfect, but we gave it all we had until the end to give you peace the way you wanted it. We love you and we will see you again. We know you are looking down on us while you are up there with the family.*

“ *The times that Janet and I shared was always with a smile and kiss. When I shared time with her prior to her crossing over it was very few words said, but the profound memories of all was the peace that passes all understanding. Nobody but God and his angels surrounded us. Rest my sister rest, Thank you Lord for allowing me to be a Ram in the bush for Janet,*

“ *Now that our Bucca is resting at the right hand of God we should all be joyful not sad that she is no longer in pain. When I meet Janet in 2016 I saw my mother in her face. Thats when I knew that God allowed us to cross paths for greatness and friendship. Rest my friend, Carl and family you all come from a strong stock. God will heal your heartache don't worry.*

“ *Janet was a strong, loving and active tenant in our senior tower in Sanford, FL. We often shared hugs and conversation as she lived on the first floor near the office. She loved talking about her family and how very proud she was of them. She took great pride in her home, her accomplishments and her surroundings and was a wonderful part of our community. Janet will be missed, but leaves many with the warmth of her memories at Serenity Towers on the St. Johns.*

She was and still is the most amazing person that I've ever met. She was a very lively person with a spunky personality but yet very humble at the same time. I know she loved her family just as much as they loved her. To a life well lived. May her legacy live on.
