“ Janice or Jan, as we knew her, was known as a wonderful partner of her husband Michael. Michael is a good friend who managed for our group a meeting in Orlando.

One day Jan took a part of our group to Universal Studio. We all had VIP passes and as we went to a show, we got seated first row. Then there was the call for a volunteer. Everyone brought up Jan and while hesitant, she did not refuse. Poor Jan was scared to be part of the act. Very bravely did she follow the instructions and experienced how an arm gets cut off when filming a movie. Only this time it was her arm!

We will never forget her and we are certain that she has a special place in heaven.

Michael, I know how much it must hurt and I wish that you find help within your friends and that sometimes in the future healing will set in.

“ Dearest Michael,

I am so sorry for the loss of your sweet Janice. I was her nurse at the Diabetes clinic for the last five years and she was one of my favorite patients. She always had a smile for me and we would sit and chat about her yard work and my life events. I remember her complaining about that darn poison ivy she got recently. She made my days brighter and will be sorely missed. Again my deepest condolences to you and your family!

“ To my dear Michael and family.....your wish came true in praying that Jan would open her "bright blue eyes" when she was unconscious, and she did!!! I believe this was to say Good-Bye to all of you with love! My heart goes out to you and all your family and loved ones. As you know we had several thousand friends, ministers and kind, kind, people from around the world praying for Jan...prayer circles, candles lit, a prayer tree at St. Monica's Catholic Church in California and a very loving friend of mine who repeatedly sent our prayer request in 3 different languages for those to pray in different countries. I have never seen this instant call for love and prayers for anyone! I know Jan was a very special soul, wife, mother, grandmother and friend. I believe these prayers assisted her and her Legion of Angels to take her home to God. May she rest in PEACE! Love, John Kennedy

“ Dear Mike & Family,
It was such a shock to hear of Jan's untimely passing. May the love and prayers from all of us comfort you in some way .
Please let me know what I can possibly do to help.

I have not seen much of Jan this past 18 months however, will always remember the fun we had on our train trip to New Orleans and other SKAL junkets.
Jan is and will always be full of fun, smiles and able to put everyone at ease.
Jan has never met a stranger so I know, although she is missing ya'll she is having a good time. And, she is in good hands!

“ *History of a Mom*

*Scrapes and brusies from learning to walk, ga ga and goo goo
embarassing moments spent learning to talk. Through My first A to
my last F; you waited for me patiently and never loving me less.
It's true so true as a teen that I was a mess. From girls to fast cars, I
thought it seemed to be some kind of test. As the eldest I was to set
the example for all. Oh but from what great highs, if they did, would
my siblings fall!*

*I left home for adventure and freedom; funny how our desires
become our own worst demons! Occasionally calling or writing and
sometimes, not at all.*

*Mom please know through all the turmoil and tears that no matter
how far off I was I appreciated your love these many years.*

“ *Getting to know you initially as such wonderful friends of my parents, my love for you both has certainly grown over the 15+ years. A highlight to the Skal events for me was always when Jan joined you - oh the laughs, a little trouble, hugs and friendship...what a joy she was and I feel so blessed to have had her a part of my life. The love you two shared has alwaysd been touching to the heart! Gosh, she will be so, so missed. No doubt Mom and Dad greeted her in heaven with much love and a toast to her eternal happiness and health. The family is in my thoughts during this very challenging time. Love you.*

“ I will always remember our fun times during the Charlie Daniels' events in Clearwater. What great times we had!! I will also never forget the year you went with Mike to the Dollar convention, and as I was a first-timer going there, you gave me 3-\$1 coins to try out the dollar slots and I hit \$800! What a great time! You and Mike have always been very dear to me and my husband. Thank you for your friendship! Leslie and I were so saddened to learn of Jan's passing though we are grateful she is now free from pain and worry.

We have so many memories of Jan- the way she decorated your home for Christmas, the way Peanut the dog just adored her. Her devotion to the stray cats in the neighborhood. The time she shared a pineapple plant from her garden with Leslie.

We have spent many a Skal Christmas party with you & Jan at our table. Jan always dressed to the nines. The time we danced for hours at Calloway Gardens in Georgia at a Skal summer golf event. The happy memory list goes on and on.

Mike, you have our deepest sympathy for your loss of your beloved Jan.

Mike and Family,

My prayers and condolences to all of you after losing such an important person in each of your lives. I know from first hand experience the void you all must be feeling - we just have to know they are in a better place and we will reunite some day.

Jan loved her family and just people, in general, and was such a great lady to talk to - I certainly enjoyed my visit with her at the class reunion last October and Bob also, always enjoyed talking to both of you at the previous reunions. God bless all of you.

*Mike, Deb, Dan, and families, There are no words to express our sorrow . We loved her so. Remembering those special moments brings smiles she , and I bonded upon meeting , many fun times , one thing that stands out is, Jan loved to pull weeds , and I always had plenty to keep her happy while she visited . I had one of those old straight back chairs that had a hole in the seat . when Summer came, I placed a big pot in the hole full of flowers, you know rustic planting . Jan came worked in the yard while I was at work. She told me when I got home that she had thrown away that old chair , she said I knew it wasn't any good it had a hole in it. I smiled, and thanked her giggled to myself for all her weeding. I will miss her so. She is in a better place I know, just wasn't ready to loose my buddy. John will miss the loss of his only sister . Wish all you guys to stay strong , she would want that. We love you all.

Mike & Family:

It's Dee Webb. I was so blessed to have worked with you as long as I did, so I could learn about Miss. Jan, the things I did, and from reading all of the words from those close to you & her-My only regret is that I didn't get to KNOW her as opportunity was just not there...I did meet her briefly at a couple of our Dollar parties, and loved what I felt when we did meet. She was very GIVING of her spirit even for those brief moments. God Bless you and your family and know, she is only missing from the scene physically-she will continue Blessing each one of you daily, knowing that God Blessed you both with one another with Happiness, Love ,Joy, and undeniably a Wonderful life together. May God continue to Bless you with KNOWING he's got it from here and the promise of Love ever lasting, just as you 2 had for one another in the Physical Life. God bless you & your family.
