“ *Its impossible to share just 1 memory of the man I married. He was my only true love. Since I was 15 years old, he was the one who cared about me and loved me the best way he could. Our marriage ended 5 years ago, 6 months after I misscarried our baby we tried for years to have. 5 years can not replace the 20 previous years of loving him. It broke my heart to hear he has left this earth. Jarred, I pray you are resting in heaven with your brothers and our baby girl. You will always be my first love and I miss you every day.*
