“ Nephew,

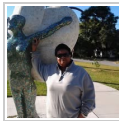

*Words cannot tell you the absence and void that I feel in my heart now that you are gone . You were my angel and the bond that we had will never be broken .Even though you are in Heaven, I really do believe, that although I cannot see you now, you'll never ever leave. I miss and love you so much. Forever in my heart .*

*Love you Jason,*

“ *Never wanted this day to come but, yet knew this day would come eventually. I love you and will always love you as if you were my brother. There is not a day that goes by i don't think of you. I'm so truly blessed that GOD made you who you are. Even though i will miss your funny faces, your laugh and smile, I know one day we will see each other again. Until then, know that i love you and i know that your watching over me.*
