“ Juanita I loved you from the first time I met you so many years ago at my grandmothers funeral. You became family to us. You were just so awesome and so beautiful inside and outside. You had a heart of gold. You loved who you loved with all your heart. Your children and grandchildren were everything to you. You loved you sisters and brothers but those kids hit a bit different. I am so happy for the times we shared and thank God for your life and for allowing us to cross each others path. I will miss your beautiful face and spirit and your willingness to always help at any of our family events. I pray for your family and with a heavy heart and tears until we meet again, I love you and RIP.

It's often said that, "Earth has no sorrow that heaven cannot heal". I believe that God in his time can heal all of our sorrow and in some cases it feels that his time is not at the time we want him to act. To the Glass family, I assure you that he is a on-time God!! I met Juanita over 30yrs. ago and from day 1 she was one of the nicest person you could meet. I pray God hold you all near to his heart and wipe each tear from your eyes.

Juanita You came into my life so many years ago as a special warm, loving and caring person. You did not hesitate to support me and Brittany when Vernon went to be with the Lord. We shared many conversations and laughter which I will surely miss girl. Till we meet again Baby. To your family, "And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."
