“ *Javier was one of the nicest persons that I have met. I will always cherish the moments that we spent together at golf (enjoyed it because neither one of us were any good but we had a good time!), when we partnered at domino, singing at Karaoke and just spending time together. He was always there to offer his assistance in anything that we needed help with. He volunteered to help Darren (my stepson) and Isabella (my niece) with their math/algebra homework and even travelled to Illinois to share in my stepdaughter's wedding. He was a very good friend and I hate it that fate took him too soon. I already miss him, and he will not be forgotten.*

GU

Javier was s beautiful person, sharing time with him and his family, left beautiful memories in my heart, always had a smile on his face, always had a kind word and peacefulness that surrounded him at all times, loved to hear him playing his guitar and singing, he was the heart of gatherings.

Javier and Isabel always had their home doors and their arms open to everybody, I had the gift of knowing him and enjoying his kind spirit.

He touched so many hearts and mine was one of them.

I'll always remember him with great affection.

Sincerely,

Gloria Underwood
