

Jayme Glenn Vickers

January 12, 1981 - March 19, 2018

Jayme Glenn Vickers, age 37 of Orlando, Florida passed away March 19, 2018.

Jayme had a childlike spirit that allowed him to love and live purely. He wore his heart on his sleeve and was willing to give anyone a piece of his heart. He truly had a servant's heart and spent countless hours volunteering.

He tried his best and gave his all, all the time. He never gave up. He was always up for learning something new or going on an adventure.

His best physical asset was his crystal clear blue eyes that were truly the window to his soul....in those eyes you could see it all...sometimes sorrow and pain but most often love and joy.

He was extremely talented. He was an artist who loved to write, draw, and sing. He was an athlete who was a speed skater, water polo player and more recently a marathon, ultra, and trail runner.

His energy and athleticism carried over into his profession. He was an expert arborist and loved being in the trees.

Unfortunately, Jayme had a tragic accident and died of complications from that

accident. He did not suffer and died doing what he loved to do.

We rejoice knowing that Jayme is now in paradise where he will live eternally, free from any earthly pains. We also find comfort knowing that Jayme will continue to love us and take care of us and that one day we will rejoin with him again. Until that day we will cherish every moment that we had with him and take pride that he made this world brighter.

In lieu of flowers, the family graciously requests donations be made to Foundation for Life at <https://www.foundationforlife.net/>

you've heard or what we'll one
day be, when we sail with that
wind our ship is lost at sea,
the words are **CONTRADICTING**
"we share sleep just not the
dreams" apt of me thinks I should

hours of writing
one minute read
i dont want to see it
its never sent
hard rain falling
whispers fading out
tear drops falling up and down
and im having doubts

“ Jayme was always such an upbeat and happy guy. It was very rare that you would see him upset or depressed. He loved people, music, PIZZA, gummy worms and any kind of sweets. He would get so excited when I would make him Magic Bars. He would make me laugh so much. He nicknamed me "Squishy" and that's what we would call each other. Then it changed to "Squishy Bear" or Squishy Face". Such a nutty sense of humor he had. He would do anything for any one of his friends and he did a lot for me. I will miss you my dear friend. Until we meet again, may God forever hold you in the palm of His hand.
