“ *The journey-from this life to the next we stand in silence knowing that there is no more pain, no more suffering, no regrets, no innocence lost, just the joy of peace and comfort. To be one within that special place where the sun meets the horizon, the surf meets the sand, and the fondest of memories are alive and renewed, Jeanne fine peace in this journey, until we meet again.*

“ I am so sorry to hear of your lose. The Bible calls death an enemy of man so we can see why it is so painful when we lose someone we love. Yet the Bible does not leave us without hope as is states in Revelation 21: 3,4 ?With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4?And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.
It is wonderful to know that God loves us and has made a provision for us to see our dead love ones again. May God give you peace and comfort

Thank you for your reference to God's word. I have found comfort since my sister Jeanne passed with various scriptures like Isaiah 25:8 "He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces..." and Isaiah 33:24 "And no resident will say "I am sick"

“ Jeanne shared her big heart with everyone, and she will be greatly missed. I am so glad to have known your baby sister. Along life's winding roads, together, we all shared some glorious, and difficult paths. That, made us family, and it still makes you all family. May the Holy Spirit bring you comfort, and God's peace be with each of you now as you recall the memories that are flooding your souls. Sending you light, love, and positive energy. Joni

“ *My condolences to everyone whose heart is feeling a little empty right now. It is never easy to lose someone and especially hard when they are so young. She is with her mother and father and together they will watch over their loved ones.*

“ *Jeanne was a big part of my family's daily life. She was family to us. We have had many wonderful years with her, and my heart aches not having her call me 10-15 times a day. But she always kept me on my toes! I love Jeanne with every ounce of my heart. She is going to be very missed by our entire family. She always had a big smile, contagious laugh, and very big heart. You will forever be in my heart my friend. I love you. And I miss you!*
