“ You wrote me my first poem and you cooked all my favorite meals so well. I been craving your bean soup 🥰 ugh I really couldn't believe you were gone. And once I wrapped my head around it, it was definitely too late. But atleast you're in a better place covering your righteousness on all your daughters, your son and your grandkids as well as your nieces and nephews . 🕊️ I'm so honored to be apart of your family. I love you auntie.
