

Jessica Danielle Andel Winkler

October 16, 1981 - December 20, 2021

On 12/20/21 heaven gained another beautiful angel. My mother Jessica Winkler of Kissimmee passed and left behind her 3 boys, Tyler Andel (myself) Ian Winkler, and Wyatt Winkler. She also leaves behind her 2 brothers Bruce and Billy Andel. Born on October 16th 1981 in Huntsville Alabama Jessica faced many challenges in life that not many people do but kept her children her priority and made sure they were taken care of no matter what. As a stay at home mom she did what she did best until the day she left, she was a mom. The only thing she loved as much as her children and was just as important to her was the rest of the family. Predeceased by her mother Lucy Andel, Father Andy Andel and Brother Andrew Andel, Jessica joins them in the watch over us and loving us from above and we can continue to live our days knowing that while she may not be here she is never far.
