

Joan E. Grant

May 3, 1940 - December 7, 2024

It is with our deepest sadness and heavy hearts that we lost our dear lovely mother, Mimi, Gigi, and sister Joan Evelyn Grant, on December 7, 2024.

She is survived by her brother Ted and children Mary Terrell, Robert Lovin, and Dwayne Lovin. Grandchildren Sura, Divine, Tara, Kristie, Holley, and Rubee. Great Grandchildren Jade, Alyssa, Arabella, David, Skyler, Brayden Rose, Angelica, Urijah, Lillian, and Gwendolyn.

Mom worked as a civil servant in several states, mostly in Florida, NAWCTSD, DFAS, and finishing up at NAVAIR. Mom was also very proud of her 38 years in the Navy Reserves. Always talking about her travels to many countries. Mom will truly be missed. And will always be loved by her entire family. Go be with God and our heavenly family, Mom. You are now at peace and pain-free.

You will always be in our hearts. Our Guardian Angel!

“ *Joan was a magnificent woman! I have met her in 1998, after I married one of her son's friend. She literally embraced me from our the very first time we met, she became a great friend and mentor. She loved to share about her navy experience and serving her country. She invited me to attend a "USCGAUX" meeting, which she was an active member of, eventually joined and dedicated over 20 years to it. Through the years Joan became more like a grandma to my our children, picking them up from school, helping with homework, taking them to after school events, etc. I truly believe that Joan was an Angel long before she got her wings. Joan, we will be very missed.*

“ Joan was a neighbor for many decades. She had a kind heart; especially about her family and all pets. My thoughts are with her family during this difficult time. It's a relief that her suffering is now over. "Grief is the price of love."

“ *Our Dearest Mimierz, You were taken to early and unfairly. It breaks my heart to have seen you in so much pain and suffering during your last days. You didn't deserve to be in that condition. You were always so caring and thoughtful. We would always say that you'd live to be 120. And you would brag you were in your 80s, healthy and didn't have to take any medicine. This is so surreal, how are you gone? Forever in hearts* 💕💕
