

Ms. JoAnn Minick Carroll

June 2, 1952 - August 15, 2013

The day we knew would arrive too soon for us is finally here, our Mom, JoAnn, is no longer suffering and is finally at peace. She lived her life devoted to us her 3 daughters, Kirsten, Shannon, and Cameron, and we have always strived to return that devotion. She made such a huge impact on everyone's life she touched and her passing has left a huge void.

In addition to her daughters, she is survived by her mother Audrey Minick of Pittsburgh and 4 brothers and sisters: Mark, Matthew, Mary, and Janet. In addition to her immediate family, she adored her son-in-law Pete who she considered a brother. She is also survived by her beloved bouncing boxers, Buster and Chickadee.

Mom was greatly cherished by her good friends at Northside Hospital where she worked as a Registered Nurse for over 30 years. She loved her work family like they were her own family.

Mom was diagnosed with Pancreatic Cancer in February 2012. She put up a strong fight going through major surgery, chemo, radiation, and countless hospitalizations. She was admitted to MD Anderson Orlando in mid-July where the surgeons performed a much needed surgery. Although she was not able to make it home, she touched many of the doctors and nurses during her time there.

Mom, we will hold you forever close to us and always remember the selfless devotion to your family and the unconditional love you showered upon us. Thank you for being the person that you are and making us the people we are today. We were very proud to have called you Mom for your time here with us. We love you and miss you more than words can express.

“*Kirsten, Shannon, and Cameron,
I am so sorry for your loss, I wish your mother had not suffered at all
but at least you can be comforted by knowing she is not suffering
anymore. There are no words to relieve the pain you feel, but just
keep in mind that the Bible promises “there is going to be a
resurrection of both the righteous and the unrighteous.” (Acts 24:15)
I hope and pray that you will have strength during this time of loss
and find consolation in this verse.*

“ Kirsten, Shannon, and Cameron,

I am so very sorry to hear about the loss of your mom. I remember her always being bubbly and sweet, which she passed on to her daughters. It doesn't seem fair that the gems of the world who are so full of life have to suffer so much. Having to watch your mom go through so much pain is unbearable. My mom was diagnosed with rectal cancer in October 2004. She had surgery and went through radiation and chemo. We were fortunate - she is now cancer free. But that year she spent having surgery and going through treatment was the most frightening of my life. I can't imagine what the past year has been like for you.

My heart breaks for you, and I will keep you in my thoughts and prayers.

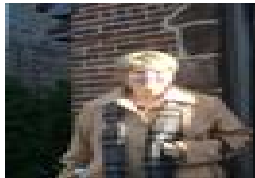

All my love,

Stacey Wolf

“ *Dear Kirsten, Shannon and Cameron,*

My heart is heavy for all three of you. We lost my dad to pancreatic cancer in 2009. It never really stops hurting, but it gets more tolerable with time. I am so sorry you are having to go through this.

Lots of love from a fellow guard girl.
