“ I met John 4 years ago when I first started looking at homes on the Circle and stopped and asked him about the neighborhood. Then I moved onto the Circle and started walking my dog and we would chat as he waited with his granddaughter at the bus stop. Always a very pleasant man and friendly neighbor. I am so sorry for your sudden loss.

“ I worked with John for about 12 years at Owens & Minor. He was a very good guy and could always make people laugh. He had such a good sense of humor and always quick with a joke. We became like a family at work. I really appreciated John and enjoyed the conversations we would have. I will miss him very much. My thoughts are with Laureen and the family. John, rest in peace my friend. Just for you and never again.....Go Steelers!.....

“ He certainly was a bright light in many people's life. Though I haven't seen John in 20 years, I too have the same memories of many. Good good man, great dad, and a helpful encouraging FUN friend to everyone he met. He loved to have get together's at his home, everyone was welcome. The only Steeler fan I liked! I can still remember his laugh. My heart is with his family. May the wonderful tributes of others bring you comfort.

“ Words can not express how I feel right now. I can only thank you from the bottom of heart for being a part of my life. You were like a brother too me. As I think of someones life I have realized yours was cut way to short. You were someone I could turn to when I needed help or just someone to talk too. Over these 25+ years I knew that I had met some special and I thank you for that. You will be truly missed by all of us. You maybe gone but forever in my heart. Rest In Peace my freind.

Love you always,
Mark

“ I met John a little over a year ago when I came to work for Enterprise. He was my lead, and showed me the ropes. Even after I transferred to another branch I still reached out to him for advice and support, and he checked in on me often. He was always there. He was a great man and one of those people that when you met them you felt like you had known them all of your life. Always with a big smile and a joke. It was a pleasure to have known him. Peace and prays for the family

“ Worked with John back in the 90's with Earth & Ocean Sports. We had a great group of guys back then and John would love when we all came to Orlando for Surf Expo. We would work and play hard and John was right there pushing us to get the booth up. John had a Motorola Brick cell phone back in 91 and we all got a hold of it and called home. I think his bill was like \$900 bucks! Boy was he mad. But, he would soon laugh it off like he always did. He was a great person and friend and will be missed by all of us at Keeper Sports Products who worked with him so many years ago.

Just found out about John's passing. I am so sorry to hear this. I live in Lake Florence and used to walk my beagles along with Cathy O that lives on your street and has a Shih Tzu Bentley. My sincere sympathy to his family.
