“ I was happy to finally get to know my uncle after years of not knowing him that well I knew him for only a short time but it will always be remembered in my heart. I love him a lot he could always make me laugh and was an amazing person. He came to my football games that I cheered at and he watched me and always had a smile on his face. I loved looking around and seeing he made effort to come out and watch me. I also love when we use to go and get Starbucks together which of course was my favorite. I also remember when we use to argue when my grandma made pizza about who got the last slice. You will be dearly missed. I love you so much! And I hope you Rest In Peace-Carly❤️
