Oooh, brother, I am going to miss you. But, the thought that you are free from all the trials and tribulations of this world is more than just profound. You are actually, free. ❤️🌹

I remember when you allowed Gen and to go fishing with you, you were no more than 12, Gen 7 and I was around 5.5 years old. I accidentally dropped all of the fish that you had caught back into the pond, boy, you were so upset. There are so many memories of you. 😭👼
