“ *"Johnny" was my cousin, but was more like a brother to me since we were little kids. Our mothers were sisters. Johnny and I shared the middle name Riley, as well as a love for Star Trek, and also for Superman. We used to trade the comics, and when the first Superman movie came out, we went together to the very first showing in Memphis. He also loved Herb Albert and the Tijuana Brass. He started playing the trumpet to play along. Together, we loved The Everly Brothers. I remember Johnny got us kicked out of the movies once for yelling at the screen. We spent many wonderful weekends together, along with brother "Joey", and my sister Carole ... so many beautiful memories. I love you Johnny. Rest in peace.*
