“ A week ago from today, my beloved “Pepa” (John Steed) marched home to Heaven. Words cannot describe the pain that I feel from losing such a special person. My grandfather was the most important father-figure in my life; we share a bond that will never be broken.. While this has left a significant hole in my heart, I know that the happy memories will eventually patch, but not fill the gap. Until we meet again, fair winds and following seas, Pepa! I love you so much, I can’t wait to see you again someday.

“ MY sincere comfort to family of John Steed, a fine gentleman, and always the life of a party! Simply can't believe you are gone, but watch over Aileen, and keep her safe!

“ An officer and a gentleman and our Johnny Sunshine. He was one in a million: kind, gentle, patient with a great sense of humour. Always calm amid the chaos and hilarity of family holidays - such happy times I shall treasure forever. God Bless you & keep you safe Uncle John, I know you will be watching over us all and probably crunching some iced tea too....or maybe it's time for a scotch?!

“ Such a loss of a dear friend, a gentleman, and a good dancer. Will miss doing " the tango". He was the life of the party wherever he was present . Bless all of his family now and in the days ahead. Love. David and Betsy.
