“ John was probably the most talented preacher I ever heard, with a real passion for sharing his deep Christian faith in a way that was easy to absorb. However he was also a deeply caring pastor and a loving family man. We feel we have lost a member of our own family. Let's not forget his infectious sense of humour, his laugh, and his love of parrots and Battenburg cake! I am sure with all hope he will be one of the first people we see in heaven! Ruthx

“ We have known John, Beryl, and family since they first came to Orlando more than 20 years ago. They came to our church via a pastor exchange program with our pastor going to their church in the UK for a month while they came here. We immediately formed a bond with them that has lasted all these years. John truly loved Orlando and it was like a dream come true for him when it worked out for him to become the permanent pastor of our church. He was a dear friend and wonderful minister, we will miss him terribly. He is in a better place now with no more suffering or pain. Our thoughts and prayers are with Beryl, James, Alexandra and their families.

*Love and prayers,

“ Last year while we were on vacation in Florida we visited Christ Community Church on a Sunday the end of October. We met Pastor John and several members of the church. We were impressed with John, his wife and the message he gave that day. We immediately fell in love with John and his church. We have been planning a return trip before the end of this year and that includes another visit to your church. We had been hoping to again see and visit with your marvelous Pastor and will miss him greatly! He was a wonderful man. You have our sincere sympathy in your tragic loss! Always,
