

## John Henry Townsend V, "JT"

November 3, 2003 - April 11, 2013

John Henry Townsend V, his name says it all, him being The Governor and all. He is the most charismatic 'lil man you would ever meet. He loved to snuggle, meet new people, and was always ready to offer a helping hand. Of course he hated doing his homework.

On Sunday's his favorite thing to do was hang out with his Dad and operate the equipment at the yard and he loved going with Mommy to the beach and riding the waves on his skim board. He thought racing cars was awesome, especially Jimmy Johnson being his all-time favorite, we cannot tell you how much he loved "The Gators"! Like all 'lil boys: candies, chocolate milk, and vanilla moonpies were things he could never go without. He also relished annoying his sister every morning by stomping around and humming as loudly as possible. Shower time consisted of "skinning the rabbit" and "dressing the bunny," which meant getting undressed and putting clothes back on. His laughter was comforting and his gentle, sweet nature was embracing, there is not a person who could have noticed him and not loved him. He just never let you walk away without a smile...He is our 'lil SUPERMAN!

### A Child's Poem

A child's love is so sweet'  
A child's love cannot be beat.  
The way they look you in the eye,

The way they hold you when they cry.  
Believe it or not they truly care,  
And no matter what they need you there.  
They take good thoughts and fill up your head,  
They hug and kiss you before they go to bed.  
But most of all their love is true,  
And always say they love you too.

In lieu of flowers the family graciously requests that donations be made to 1st.  
Southern Bank for his sister Emma.

“ God opened His gates and received two new precious angels. I know you are with your Mommy and you are both in a better place, but my heart is broken. You were an amazing little man! I will miss you everyday and you will never be forgotten. I will cherish every memory we have shared. Letting go is so hard, but you and Mommy will both forever be in my heart. All my love sweet boy.

“ JT, I Miss you and you were the best little cousin to play with. Monster trucks will always remind me of you. We will ride together again one day. I remeber how much fun we had in the bronco together knocking down dead pine trees in my back yard with my daddy. We laughed so hard in that truck, I hope you are laughing and having great time with your mommy. I love you both so much. It makes my heart hurt. Love Lauran Adams
