“ Dear family of Johnny,
We had many fun times together with your family when I was a child. Traveled together when visiting each other. Sending each of you much sympathy and may your memories be sweet and ever lasting. I thought I had a picture of one of our trips but he is not in the pic, he must not have gone into Canada with us.

I have many wonderful memories. The travels and adventures I will always hold close to me. Like the time you climbed behind Snoqualmie Falls and got trapped. Mom went and told the person in charge and they shut the falls off to get you out. This is just one of many crazy times . You were a great dad to me. Love you.
