“ We will miss seeing Johnny at Ferndale Baptist for our worship services. He was such a nice man and seemed to enjoy his time there as he joined in our singing and worship. He will be truly missed! Jinell Robinson and the other members there!

“ *Johnny was one of my favorite nephews only 12 years younger than me and the last few years we have been very close. He saved us thousands of dollars by doing my air conditioning and only charging for the material. I am so happy he came to the lord so I know he is in a better place, love and will miss you so much*

“ *I meet this guy about 9 years ago and off jump we bumped heads. But over the years The Old Man became, a big brother, someone I could call and talk too, but most of all (he became a FRIEND). You'll be loved by many now that you are no longer here physically. But our memories will always be with us.
Peace out Old Man
Your friend Will*
