

Jorge Blanco Ortiz

April 24, 1932 - August 11, 2016

Jorge Blanco Ortiz, 84 of Villalba, PR left this world to a better and happy place on August 11, 2016

Jorge was born on April 24, 1932 in Villalba, PR to parents Ramon Blanco and Maria Luisa Ortiz. Jorge is survived by his wife Iris, children Mariana, Jorge Luis, Nelson, Maria, Luis Armando, Ramon, Rebecca and Denise, many grandchildren and great-grandchildren. Siblings; Luis, Alex, Marina, Miriam, Maria Eneida, Raymond, Jose, and Carmen.

Jorge was a devoted son, husband, father, grandfather, brother, uncle and friend who left us with great memories that will forever live in our hearts. He enjoyed watching his favorite TV shows on the TV Land network enjoying Sanford and Son, Matlock, Good Times, All in the family, Caso Cerado and many others. Always kept in touch with his family members calling them on a weekly basis ensuring that everyone was ok. Jorge loved and appreciated visits from his children, grandchildren and great-grandchildren. He always had jokes that would put a smile on everyone's face.

His family will forever miss his kindness, generous heart, sense of humor, love, loyalty and presence. Though we are sad and our hearts ache, we know that he is happy that he is now with his parents, brother's Ismael and Victor, and son Fernando. Life will never be the same without you.

To our family and friends our hearts are thankful for the many acts of kindness extended to our family. Your prayers, expressions of love, and sympathy are greatly appreciated and never forgotten.

May God's blessing, peace, and love continue with all of you forever.

“ Grandpa,
Today we celebrate you and all you have done. As I look around this room, I realize how most of this would not have been done without you. You gave me this amazing family to share with my own little family and for that I'll forever thank you. As I look back on all of the beautiful times we had together, one of my favorites is that I was given the opportunity to watch Penelope love you. I was truly blessed to be able to capture those little moments in time with her; these moments I'll forever cherish. When she grows up, I'll be able to tell her about the amazing man you were and how much you loved us. As much as this all hurts, I'm at peace with the decision God has made. He needed you in heaven and for that reason alone, I smile. I love you and miss you. I'm very thankful for angel I have watching down on us.

Whose praises are sung out loud,
There is no man whom I respect, love & adore,
Or of whom I am more proud.*

*Throughout the years, you've worked so hard
To provide us a happy life;
You've been there to help and give advice,
Always giving me the courage to keep going,
And you did it all without strife.*

*There are no words that can describe
how much I love you & appreciate you;
I will forever be Daddy's little girl!!!*

Beba Hernandez - August 14, 2016 at 07:10 PM

“ *Just a few words to dedicate to the man that means the world to me. My Dad was a great father and grandfather to me and my kids. He loved my husband as he was one of his own kids. My Dad spoiled me all my life even as an adult. I remember when he would take me to school and for me not to wet my shoes he would carry me to the car. He was always there after school never left me alone. I can truly say that he never left my side so I never had to experience missing him like I do now. His humor, his jokes, his love, kisses and saying "Hi Babe" was enough for me to be happy I had a father like him.*

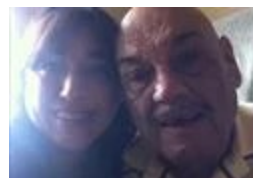

Until the day before he passed he would tell me that he loved me and asked me if I was ok. My life will never ever be the same without him. I miss him calling every 30 minutes to ask what am i doing, where am I going, if I'm going to sleep early and asking to speak with everyone in the house.

Dad you showed me how to live with you but never showed me how to live without you. I can't still believe that you are in heaven watching over us. I know you in a better place and no longer suffering.

Dad like I told you to the last day I love you with all my heart and soul and you were and are my life. Thank you for being the great man you were until the end.

Te amare por siempre.....

Tu Baby forever (Daddy's Girl)

You were and will always be the best male figure in my life, your love was always so pure and sincere. I appreciate every moment I spent with you and will forever cherish those memories. I was not ready for your departure, and I know I was never going to be ready because I love you so much and my selfish heart wanted you here with us forever. No one will ever understand the love I have for you, you were such an amazing person inside and out. Gpa, you will never be forgotten, you will forever live in my heart and words will never be enough to express my gratitude for you. Thank you a million times, I love you a million times. I am so grateful that my children met you, spent their weekends with you and received and gave you their love. They love you as much as I do and will miss you forever as well. God thank you for allowing me the opportunity to have an awesome dad. I know that he is with you now because he was and still is an amazing soul, one of no hate, no grudge only pure and full of love for everyone he came in contact with.*
