I know God was ready for you, and I would prefer a million times for you to be with him than here suffering. I will always love you. You were and always will be my baby brother. PS and don't worry about the kids, we will always take care of them no matter what. Love mama 🥺🥺*

“ Joselito will be loved and missed by all of us. He was a great father and adored his children Destiny, Jose, Isaiah, Jaslene and his grandkids . I know my sister Rosie and Joselito are in Heaven United again. He is more than a brother in law to me and my family. We will cherish all the magical memories we shared together and he will never be forgotten. God bless his children, mother, siblings and all his family and friends.

My baby brother, I can still see you smiling like you did 2 weeks ago when we went out to eat. You ate that "ropa vieja" and smiled saying "that shit is so good!" We were still making plans, and joking around. How I miss you already! My heart aches so much with your early departure. Life is so unfair💔💔💔💔
