“ Our deepest sympathy to the family and friends of Jose. I first saw Jose at a Ferris High School swim meet where they were swimming against Snyder High School. His beautiful green eyes and wonderful smile were hard to miss. Then I met him again at the Boulevard Pool, his personality was bigger than life, he was funny, kind and easy to get along with. He was to become a large part of our lives and over that time we discovered that besides the funny and kind, side, he had respect not only for us but for everyone. Over time everyone moved on to other things and we lost touch with Jose, but then came Facebook, he reached out to three of our daughters and we were thrilled to know that he was well and had married such a wonderful woman. We know that his children and grandchild must have been the pride of his life. His passing has left a huge hole in our hearts. We pray that Jose was welcomed into heaven where God wrapped him in his loving arms.
