“ Oh my God. I am in tears. Just scrolling through some old friends that I haven't touched base with in awhile and stumbled upon José's obituary. I'm just gutted. When he & I last spoke, he was regaining his strength, was full of joy and optimism, had the world's best attitude and seemed to be beating his illness. I'm so sad to find out that he has since passed.
My sincere condolences to José's beautiful family and all who loved him. May his sweet, kind and beautiful soul rest in our Saviors arms forever. God bless you, José.
