“ Jody- thank you for all the memories you gave to my daughters and I through our years of marriage. You can now spread your wings and fly free from all the pain. God has his angels protecting you now, and keeping you safe till we are all with you again. You were always in search for the next big adventure... now you're having the biggest adventure you could ever ask for. Till we meet again “Mi Dushi”... I love you and will forever miss you!!!
