Because we are coming in from out of town, I do not have an opportunity to cater food. If you would like to bring a dish to pass in Joe's honor please feel

welcome to do so, but not obligated. I will provide a ham or similar, I believe Diana is considering her famous Baked Mostaccioli. There is a kitchen available for heating and reheating food items.

Please pass this information on to any family/friends in an attempt to notify everyone who may be interested in attending.

“ I remember how the ladies loved my dad! Such a flirt! He was so cute and full of fun! My grandsons loved the stories my dad would tell them. If I was sitting in the chair by his bedroom door he would tap the back of my head and then I would get up and give him a big hug and a kiss. Love my dad very much and miss him. <3
