I will miss her contagious laugh and her great sense of humor! She left some sweet memories to be cherished and she dearly loved her precious family. It's a great comfort to know she is whole again and in the arms of her Heavenly Father.

*I had the pleasure of meeting Joyce at the Kidney Center on her dialysis days. Unfortunately I didn't know her for very long but what time we did get to talk I enjoyed it very much. May you rest in peace Joyce and know you will be greatly missed. Fly with the angels my friend. I'll keep a watch on the door. <wink>*
