“ *My fondest memory of 'grandma' were the times where she would make me a freshly prepared gallon of sweet ice tea for pickup, using the tea bags that were brought over from England.*

*Joyce role modeled love, patience and kindness each and every time I visited.*

*From the time we are born, we learn the first rule of life...with life, there is death.*

*Grandma died at home, in her own bed, with her family present and most importantly, without pain. Isn't that what we all wish for?*

*She is finally at rest and reunited with her family in heaven.*

*Love Ya Grandma!*

*-Joe*
