“ *21 years ago I met the most amazing man, the one who would make me the happiest woman on earth. The best days of my life, I lived with you. Your smile, your personality, your beautiful soul, gave me instant peace and made me a better person today. We were trully made for each other, our special bond and relationship was always the talk of the town, one that many admired. Your love for our girls, was so pure, your eyes glowed each time you looked or even talked about them. Our beautiful girls Jada and Jaylanie, love you with all their hearts, thank you for being such an amazing dad. Having you as my husband was the best blessing of my life. We will forever miss you, no one will ever compare to you in a million years, because you are simply so unique. My love for you will be forever, and ever, respecting every memory we made together. I love you my chulin! 😍*

*“ Juan was such a gift to Breakthru Beverage. Anytime I called or messaged him, he would respond within minutes (even when he was on vacation.) Every time we would cross paths at work he would smile and say 'Hello'. Juan took his job seriously and always went above and beyond to help anyone and every out.*

“ From the first day we met, I remember you as being a caring and accepting individual, who loved everyone. From that day I knew we would be friends. Every day you worked, I knew it would be a great day because you made others smile and were always positive and upbeat. You approached your work with passion and energy. Not only did you value close friendships you also demonstrated love for your family as well. You were just an all around good guy, I will miss you my friend. Those who knew you are better because of you. There is comfort in knowing you are watching and continuing to care for those you loved from heaven. Rest in peace.
