“ *Como te voy a extrañar. No es fácil esplicable el tipo de relación que teníamos. Nadie lo entenderá pero eso si se que nuestro amor para con el uno y otro era más allá de las palabras. Seré siempre tu nana.. Gracias por velar por mi por enseñarme el amor de hermano mayor. Tomaste el puesto de papa cuando papi falleció y me celabas. Cuando te dije que esperaba un bebe lloramos juntos de emoción. Gracias por querer a mi hijo tanto, se que el nunca te olvidara. Te extraño. Y te amare siempre*

“ As a little girl you were the best Papi ever in my eyes! I still remember the feeling of desperation I would get when I wanted to see you and be with you. As I grew older, due to the circumstances of life; we became distant but I never stopped loving you. I thought it was so funny how you would still see me as a little girl even being all grown up. I would complain about it and feel annoyed but I would give anything to have you still here. I wish I could have had more time with you. I thought I would grow older and make up for lost time with you. This feels so unfair! But I know God will comfort us in this difficult moment. I will never forget you, I Love You Papi ?

Yaitza Lopez - August 15, 2015 at 10:23 PM

“ Although we are apart now, your love and advice will always be with me. I will never forget the moments we shared. My life will never be the same without you. Everywhere I look I am reminded of you. Thank you for doing all that you could even when it felt like the world was up against you. Thank you for always making sure I made it on my flights and that my clothes were dry-cleaned. I wish I could give you just one last hug or share one more laugh. None of this feels real. I wish someone would just tell me this was all a lie. I love you with all my heart. Rest in peace Papi.

“ Its crazy how people say that blood is thicker than water...I have to disagree. I've known the Lopez family as far back as I can remember. And I don't think I would ever consider them anything else but family. Holidays...birthdays...just because days...I love them all more than most of my blood family. Berto you will be missed tremendously but I know your with your brother and Laurie now. We love you and you will never be forgotten. As for the rest of the family...you we're all there when we needed you, so me and my family is here for you no matter what. Love you so much. My condolences

“ *Bertito was not only my nephew, he was my son too. And because of that, I always see him like my small child. Once when he was 15, my Christmas present was toys, he told his mom, if I was kidding, where was the real present. Gladys told him that, that was the present and he got very very mad. Later on Gladys told me, that they had grown up, and I had to put my mind in place. He was and he will be my lovely small boy. Rest in peace.*
