“ There are so many wonderful memories that I have of Johnny we goofed around a lot, we laughed we cried we talked a lot about important stuff and the silliest thing we could think of, I admired his faith and his love for his familia and he made me feel special when he'd say you're family to me too you know. “ Juan I loved you in life and I know in my heart that you're going to be an awesome Angel watching over all of us. Till we meet again my brother.”
