

Juanita Rivera Pierluissi

January 2, 1942 - February 16, 2025

Juanita Rivera Pierluissi, who was known by everyone as Jenny, was born on January 2, 1942. She died at the age of 83 on Sunday, February 16, 2025 surrounded by her beloved husband, children, grandchildren and great-grandchildren.

Jenny was a lovely wife, mother, grandmother, great grandmother, sister, and friend. Always putting her family first and filling every moment with laughter, care, and affection. Jenny was the heart of the family. Her love was unwavering, her support endless, and her wisdom a guiding light for those who were lucky enough to call her family.

Her life was deeply rooted in her faith. As a dedicated Jehovah's Witness, she found joy and purpose in spreading the word of Jehovah. Always eager to share her beliefs with love, patience, and compassion.

She poured her heart into painting, poetry, and always was singing.

Though, she is no longer with us, her memory will forever remain in our hearts.

She is survived by her husband Joaquín Pierluissi, her children Dorcas, Joaquín, Tamara, Michael and Guillermo. Sons and daughters-in-law: Juan Andrés, Maricelys, Héctor and Melissa. His grandchildren: Juan Andrés, Omar A, Cristina M., Valeria M. and Yazmine. Her great-grandchildren Alejandro, Sebastián, Amaia and Juan Diego. Siblings Ramón, Antonio, Alicia y Sonia.

Jenny is now sleeping in a temporary rest, until Jehovah calls her back to life

again.
