

## Judit Soler Janowski

April 5, 1971 - December 22, 2020

### Judit Soler Janowski

Judit was born on April 5, 1971 to Dr Pedro Miguel Soler and Esther Soler in Matanzas, Cuba. She left this life on December 22, 2020 at the age of 49 years. She is survived by her parents and by Boley Janowski, her husband of 29 years; two daughters, Kara and Briana, both of the home; her brother, Dr Pedro Soler of Tampa; and her sister Esther Soler of Orlando.

After receiving her Computer Science degree from UWF, she started her career as an Oracle DBA, and eventually transitioned into IT Security Manager for a defense contractor.

Judit enjoyed time with her family the most, often taking those experiences and capturing them in some artistic format such as painting and scrapbooking. She took great pride in participating as a Girl Scout leader with her daughters and gave of her time and knowledge generously. Judit always captured the joy of learning and working with friends as reward in itself. She was sharp-witted and strong in personality but was never offending or intimidating, and was most often seen reeling in her husband from doing just that. Judit touched so many lives with her heart and her smile--often at the most unexpected times--providing strength and encouragement to those that needed it, even when she was at her weakest in her long fight with cancer.

“ Dear Soler and Janowski Family,  
I just found out that Judy (Judith) passed away recently. I am deeply sorry for your very painful loss. As you know, Judy was like the sister I never had throughout high school. We were constantly together, and she helped me through some very difficult times. I am still in shock about the news. Sending love and prayers to all of you.  
With Much Love,

“ I am so sorry for your loss. May Judith's memory be a blessing to her family and friends.

*I had the pleasure of working with Judith for the past 7 years and in that time she was always pleasant and wearing a smile. Her dedication to her girls and their girl scout endeavors was admirable and I imagine that they were top cookie sellers as Judith would be sure to have cookies available. We would joke about cookie sales turf as my daughters were of similar age and also in scouts.*

“ Hi, my name Ken and I worked with Judit. I know the family doesn't know me but I would be remiss if I did not provide some kind words about my dear co-worker & friend. Judit was such a sweet person and we always shared stories about our kids whenever we would talk; I can honestly say that I have never seen her in a bad mood. My thoughts & prayers will be with her family, I pray that the Good Lord grants you the strength you need during this difficult time. Good Bless!!
