“ Sending you much love, Michelle....Aunt Gwen was a sweet, kind and lovely woman. Mom always said her big sister watched over her. I know she adored her only daughter as her piece of heaven on earth. I'm so sorry for your loss but know she will always be with you as your guardian angel. Sending you love and hugs from your cousin, Stephanie ( Audrey's daughter)

Thank you Stephanie. It is a reality that she is gone, but she no longer is in pain.

*Michelle I have known you and your mom all my life. My mom and yours were best friends. I came across pictures the other day and I didn't know it was your mom, but my mom did. I can't even begin to know how you are feeling right now, but I remember losing my dad and the pain was horrible. Just know that she is in a much better place. She will continue to smile down on you from heaven and always be proud.*

*Michelle your mom will always be remembered with such a good heart, helped me out a lot with the kids growing up. She loved you so much and I know it will be very sad and hard for you for awhile, time will help your pain and you will have a lot of good memories.*

*I only met Gwendolyn a few times, but my mama and stepdad, Buddy (her brother) always talked about her. I know if she was anything like Buddy, she was a wonderful woman.*

*All of you are in our thoughts and prayers. We love you all.*
