After a protracted battle with cancer, June Lorine Alexander-Sears passed away on October 11, 2016 in Orlando, FL. at the age of 52. She leaves behind her daughters and son.

The family would especially like to thank the staff of UF Health Cancer Center (formerly MD Anderson), Cornerstone Hospice, A Community Funeral Home, and St. John Missionary Baptist Church. “ *My sincerest condolences go out to the Sears family, especially the children. I know you all are going through a difficult time and for that I am very sorry. June was always such a pleasant person to be around. I worked with her at Orlando Utilities for a short time. We used to walk downtown together and go out to lunch several times a week. June's joy was in her children and she talked about them with such passion. I am deeply sorrowed by her passing. Please believe that grieving is part of the natural process of life and death but in time you will experience those fond and warm memories without so much grief. You will experience that joy that was and is your loving mother. May you find peace and comfort in each other during this difficult time.*
