

Karen Lynne Toney

July 23, 1940 - December 15, 2013

Karen Lynn Toney passed away peacefully on December fifteenth 2013, of natural causes, at the age of seventy-three. She is survived by her children and grandchildren, whom she cherished above all else in this world. Michael (Erika) Toney and their son Caleb. Jeffery (Patricia) Toney and their children Elise (Brian) Hoffower, Zachary, and Austin. Lisa (Troy Pope) Toney. Barbara Toney and her daughter Olivia. Bradley Toney. Beth (Tom) Boulter and their daughters Kayleigh and Stephanie. Lance (Christy) Campbell.

This large family feels much smaller now, having lost Karen. Few have children and cousins that are so close, even with large gaps in age.

Anyone who wanted a meal, or a place to stay, was welcome in Karen's home.

She was always available to talk when someone was going through a challenging time. She never preached or passed judgment and when she did give advice, it was spot-on. She treated her coworkers and friends as part of her family. Souls with these rare qualities will always be missed.

We are honoring her request to not have a memorial service.

“In lieu of flowers a donation to The American Lung Association is

appreciated”.

“ When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too to many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. For more comforting thoughts and to know why we get sick, or grow old and die please go to www.jw.org

“ *"Mom Toney" was a blessing to many... more than anyone can count. When I was a lost young man, she welcomed me into her home with kindness that I always remembered over the years. She always cared, and gave good advice. She always welcomed me to her family's Christmas Parties and other events. Whether you saw her last week, or two decades ago, it was like you had never been gone... she always welcomed you in. She was, and will remain, very close to my heart.*
