“ *Friendship takes depth only time can give. You gather together for so long giving, sharing loving and caring. You know intimate details about one another's lives making the bond unbreakable. Whether shopping, going out to lunch, lounging around or sitting on the beach, friendship has its own dynamics. The tears of shared sorrows and the fits of unstoppable laughter. And when you have all of that in a friend, you are the luckiest person in the world!*

*Rest in peace my Best Friend K. T.*

*Love you,*
