

Kee-Tundra "Kiki" Moore

October 22, 1976 - July 20, 2024

It is with deep sorrow that we announce the passing of Kee-tundra Moore, lovingly known by her family and friends as “Kiki”, at the age of 47. A cherished member of her family, she left this world unexpectedly on July 20, 2024 in Tampa, Florida.

Kiki was born on October 22, 1976 in Orlando, Florida.

Kiki was a talented hairstylist, known for her incredible skills and creativity. She had a natural ability to make everyone who sat in her chair feel special and confident.

Aside from being a talented hairstylist, Kiki's multifaceted abilities and hardworking nature had her working for different companies like, the Pellon Factory in Clearwater, and a crew member at Popeye's; and as a store clerk in the Family Dollar Store franchise.

Outside of her profession, Kiki had a profound love for reading, especially Urban fiction. She found joy and inspiration in the stories she read, which often fueled her own creative endeavors.

She was also a passionate poet, using her gift with words to express her innermost thoughts and emotions. Her poetry was a reflection of her soul—

beautiful, honest, and deeply moving.

Kiki was preceded in death by her son, Kyvuan Moore; Grandparents, Arnetta and Clarence Moore and Barbara and Albert Leonard.

Kiki leaves to cherish her memories: daughters, Kyanna Moore and Kyanni Moore; son, Kymani Moore; grandchildren, Andrew Leaster III, Kyvauni Moore, Keviyaun Moore and one unborn grandchild; parents, Patricia Ann Moore Bennett and Donnie Leonard; brothers, Donnie Moore and DeBoris Leonard (Nicole); sisters, Serrita Bennett, Kardegdra Bennett and Kioshi Bennett; and a host of other loving relatives and sorrowing friends who will miss her dearly.

Her warmth, kindness, and vibrant spirit will be remembered by all who knew her. As we mourn her loss, we also celebrate the life of a remarkable woman who touched the hearts of so many. Rest in peace, Kiki. Your legacy of love and creativity will live on in the hearts of those who knew and loved you.

“ *The ache I felt in my heart I haven't felt in a long time. I loved you and you knew. I miss you and you see. I cared for you as you saw, and now I have all those memories to carry with me.*

It pains me because I hadn't seen you or heard from you for 10 years but the last 2 all I did was asked for you all the time non-stop not knowing why but I did, I felt you. Now that your gone it's different because I have to live knowing your not here and one day we'll run into one another and pretend 10 years hasn't never happened. A piece of me bae is gone. I'm sorry 😞 so sorry I didn't try harder to find you but I heard you were doing good and I loved it.

I'm so empty inside, and my tears I can't hide. This is not goodbye just simply a "I'll see you later bae"

Yours truly,

Haitian sensation.
