

Keith S. Crowe

May 1, 1967 - December 28, 2024

Keith S. Crowe, age 57, peacefully passed away on December 28, 2024 due to complications resulting from a brain aneurysm. Raised in Park Forest, Illinois, the son of Michael and Babette (Wiscons) Crowe. Keith was the second of four sons.

Keith attended the University of Illinois at Urbana-Champaign - College of Business. Upon graduation, he worked at Price Waterhouse and then Premark International, where he met his wife, Anne, of 29 years. After getting married, Keith and Anne moved to Orlando, Florida to work for Tupperware Brands Corporation. Keith worked for Tupperware for more than 28 years, lastly acting as their VP and Treasurer. In 2009, he graduated top in his class from the Crummer Graduate School of Business.

Keith and Anne raised two sons. Keith enjoyed being heavily involved in their lives, often coaching their various childhood sports, as well as acting as their School Board President for a number of years. He was always there to support and guide his sons, and was very proud of the men they have become.

Keith was a very generous man, sharing his time and talents without hesitation. Besides the love for his wife and sons, he enjoyed cheering on the Fighting Illini, playing golf, and getting together with friends, where he often

stole the show with his charismatic personality, great sense of humor, and big smile.

Keith is survived by his father, Michael, his brothers, Kevin, Kerry (Jeanette), and Kelly (Sara), his wife, Anne, and two sons, Phillip and David.

In lieu of flowers, please consider donating to St. Jude's Children's Hospital, an organization Keith thought highly of. https://www.stjude.org/donate/donate-to-st-jude.html?sc_icid=header-btn-donate-now

“ Dear Anne and Family

I worked with Keith at Tupperware for almost 20 years. We battled through MBAs at Rollins College, refinanced major financing projects, worked through management changes and contributed our golf skills to many charity golf tournaments.

*The Tupperware family is heartbroken for this loss. Please know we're thinking of you as you navigate this transition. Much love

“ Dear Anne and family,

I can't really remember if the first thing I had in common with Keith was that we sent our kids to St. John Vianney or that we both worked for Tupperware. Our paths crossed constantly over 25+ years at work and school.

Keith once said, "I wonder how Sr. Elizabeth got my name as a candidate for the school board." I finally confessed and we laughed about it often. Keith was a co-worker, an SJV school board peer, my son's spirited basketball coach, a lunch partner when he and Jim Perry would invite me to tag along to Longhorn, a fellow Notre Dame fan, and a proud parent. But most of all, Keith was a true friend. He was one of the first calls I received when I left the company. He always had a smile, sound advice, and a great attitude. He did a mock interview for my son a few years ago when he was interviewing for a treasury role up north. He cared and made time for others.

I am truly sorry for your loss.

With love,

“ I respected and adored Keith as all did who were blessed to know him. He was one of Tupperware's brightest stars. Certainly in tax and treasury but especially as a leader, mentor, and collaborator.

When Keith and our

friend and buddy Dave Davis, contacted me following Keith's aneurysm I started sending text messages to Keith's cell number not knowing how serious the situation was but hoping ,at the least, he would feel my love and positive energy.

I cherish the memories I have of our times together at lunches, on the golf course, and especially at TUP. He was a strong cultural force at the company. Keith was proof positive that one can be smart, savvy, and at times the brightest light in the room but still radiating humility.

Perhaps selfishly at times like now I've never bought into the "He's gone to a better place" positioning. Anne, the boys, and family, along with those of us who loved him ALL must FEEL that at only 57 we've been cheated out of his presence in our lives in the time ahead."

Keith... YOU ADDED VALUE IN YOUR SHORT TIME HERE.

“ Dear Ann and family, I’m so sorry to hear about losing Keith so young! Life can be so tough. I’m sure you have great memories with Keith as a father and a husband.

I can tell you that Keith was known to be the kind, polite person who got things done. He knew a lot about Tax but wanted to grow and learn more so he transferred to the Treasury group. He was well respected, knowledgeable and also had a wit about him. Always a pleasure to work with him.

Praying that you all find peace and comfort knowing how loved Keith was! My sincere condolences, Lillian Garcia, Retired Chief HR Officer, TUP

“ Keith was an incredibly kind person who without hesitation would help his friends in need. We were transferred to Switzerland and my husband was traveling. I found myself battling the Swiss banking system that put a 30 day hold on our funds from the US. Keith made a few calls and he helped us clear hold. We miss your smile and sense of humor. We will always treasure the many fond memories and laughter we shared.
