“ There are so many memories of Keith but the one that stands out in my mind the most is when I had a black racer snake in our house- after almost having a heart attack and going into a panic trying to find someone to help, I called my buddy Keith- 10 minutes later her pulls into my driveway like a warrior for battle with his Hockey Stick :). It was a hilarious scene as that slithery snake crawled across the living room carpet, me standing on the couch screaming numerous expletives and Keith swinging that hockey stick like his life depended on it- he chopped that snake into a million pieces. Both of us were laughing so hard. He was my super hero that day and I will never forget how determined he was to get that thing. What a guy he was- that was his heart- he would do whatever he could for anyone that asked, even come a rescue a damsel in distress. I love you Keith- you are missed so much!

“ Any time I hear the song, "Glory Days" it makes me smile. I would be taken back in time to 1974/1975; the greatest Lakeview Hockey season ever! There was Keith, Perry, Jim, Wally and more - great times, great memories. Next time I hear the song, I will warmly think of you KZ. Sadness fills my heart today...you will be missed - your friend Anne Ritter

“ I'm was so saddened to hear about Keith's passing. I worked with Keith for many years and looked up to him as I was growing up and learning about making sales. I could always count on him to sympathize with me when I was having a rough time with customers, he always had encouraging words for me. Keith was a good man and loved his family so much, he always talked about them and I could feel his love for them. I will pray for comfort and peace in the coming months for his loved ones. RIP Keith Zoldak

“ To the Family.

*I am sorry for the lost of your family member and dear friend. I have an encouraging message that I would like to share with you from God's Word the Bible.*

*Like many people we all want to live and enjoy life with the ones we have lost to this aged-old-enemy death. Sadly, though because of health issues, injustice, crimes and old age we have to suffer the pain when ones fall asleep in death.*

*In the Bible at John 5:28,29 Christ Jesus states that all those in the memorial tombs (graves) will hear his voice and come out. These ones according to Psalm 37:11 will be resurrected right here on the earth.*

*The Bible also gives us comfort and hope at Revelation 21:3-5 which assures us that the day is soon to come in which our Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and death will be no more.*

*I hope that after reading this that it will be of comfort to each of you.*

*To learn more as to why we die and what hope for our loved ones, please feel free to go to the website: [jw.org](http://jw.org).*

“ I am so sad to hear of Keith's passing. Even though we were not real close friends, I always considered him a friend. I already miss him. He kept in touch every time he had a new idea for business. He was so excited about his latest business; he must have called me 10 times about it! He was such a nice mild mannered guy. Death was the last thing I would think of when thinking of Keith. I received a text from Larry Mlynarek that stated Keith had passed. I read it 10 times because it was so unthinkable to me. I deliver my deepest condolences to Pam, Kara, Melissa, Perry and family. Keith will be truly missed by me and many others. Howard Dekkers
