“ It's sad to see you leave us Kelechi but you are definitely in a much better place and in much better hands of the Lord. You were a joy to me as well as the Quest family. We all enjoyed the bright smile you gave us when you walked through those doors. I am glad I had the priviledge to work with you and learn from you here at Quest. God has better plans for you now and your in a place that we hope to some day meet back with you to share those same jokes and smiles you shedded upon us. NEVER forget us because we definitley will NEVER forget you.

To the family, continue keeping you all heads up. The Lord provided the Kelu family with a fascinating young man that enjoyed everything in life he could. From his smile to his personality Kelechi was a very loving person. He will always be in the heart of many as well as mines.

Take Care & May God Bless You All

“ I had the privilege of working with Kelechi at the Quest South Adult Day Training Center. I had the opportunity to work directly with him in Area B. He brought such life and joy with him to work! He made his coworkers and staff laugh every day with his amazing sense of humour! He told me once that he had gone to the beach over the weekend and I said, "And you didn't invite me?!?!" It became a running joke, every time that he went, he would tell me that he'd take me "next time." Well Kelechi, I will take you to the beach in my heart every time I go. Area B will not be the same place without your smiling face and your fabulous sense of humour. You will be missed, but I am thankful you are safe in the arms of our loving Father, able to do all you want without the limitations of your earthly body, and I know that we will meet again someday! Until then, I will try to remember you with laughter rather than tears. I will be praying for strength and peace for all Kelechi's family and friends; especially in this first year.

“ Dear Kele,
You love life, you never had a frown on your face, your smile gave us strength. I love the way you worshipped and your love for the Lord. I know you are dancing away in Heaven and singing all your favorite songs. You will be greatly missed but thank you for paving the way and leaving us with great memories.
Love you little bro,
Your sis

“ Uncle Kele (as fondly called by your nieces in Orlando), you were my dancing partner both at home and in Church. I still visualize your singing and dancing at church and at home, especially when I am cooking your favourite food. Every food was good to you. You never get annoyed, always (O.K , Lets Go) anytime we were to go out. You would dress corporately and say 'I look good'. Handsome and loving. I will miss you.

I am not supposed to write a memoire for you, but you for me, since I am your senior. But you lived a fulfilled life. Going to work in the morning was fun to you, telling us you are going to bring dollars for us. At times you would pack some cookies for your 'guys' at work, the way you call your colleagues. Eating, dressing, dancing, going for walks, cleaning, watching TV, football, discussing soccer and so on were joy to you.

May your soul rest in perfect peace, and we who are alive, must work out our salavation so that we will see again in Heaven. Adieu my Kele.

URUEMU'S MUMMY.
