

## Kerrie A. Riggs

August 11, 1973 - August 10, 2016

Kerrie Ann Brians- Riggs, 42, of Davenport, Florida left this world on August 10, 2016.

Kerrie Ann Brians was born August 11, 1973 in Tulsa Oklahoma to Kenneth Brians and Patricia LeFlore (Burger).

Kerrie graduated High School in 1991 from Salina, Oklahoma and soon after graduating she served in the US Navy.

All Kerrie ever wanted was to be a mother. She always tried to never forget to live in the moment with her children and to take a million mental snapshots. Kerrie always tried to never miss any of her kid's events or just be there to talk and spend time with them. Kerrie always said everything can wait, because spending time with the kids was much more important than anything else. Kerrie was a loving mother and took pride in her children and always told them she would support them in whatever life choices they made. She loved to read, play games, discuss politics and other current events. Spending time with the family and the ones she loved is something that she cherished. In addition, she also enjoyed to cook and bake. She would bake a batch of cookies and once they were ready she would just smile from ear to ear as she watched her friends or family devour them. She was always an incredibly selfless woman that took pleasure in seeing others around her happy.

She is survived by her children Tiara Riggs and Samuel Riggs of the home and Father Kenneth Brians, Step Mother Donna Brians, Mother Patricia LeFlore, Step Father Floyd LeFlore, Brother Kevin Brians Sister in Law Tara Brians. Kerrie was also survived by 4 nieces, great nephew and great niece.

A celebration of life will be held August 21st 2016 from 2:00 PM to 4:00 PM at 9215 North 98th East Court Owasso, Oklahoma 74055.

“ *I have never met someone who was so willing to give and was so kind and generous. She was there for me in my darkest days and was always so willing to help. She was my second mom and I won't ever forget.*

*I won't ever forget the Halloween party she threw when my husband and I loved with her and the family. It was the craziest, most all out party I've ever seen. The decorations were amazing, everyone was costumed. I've never had so much fun and nothing will ever compare.*
