“ Life feels so unbearable these days I truly miss My dad , bestfriend and my king , I love you with everything in me . My dad used to tell me all the time you're my world and I would reply and you're mine . I'm trying to be strong but somedays all I feel is weak you kept us together hold it down regardless of anything. You taught me how to draw and how to live life to the fullest . I'm so glad I got to experience such a wonderful man .

Destiny Thompson - May 17, 2020 at 05:20 PM

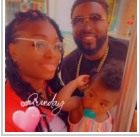

“ My nephew: I'll always remember how you loved to draw, your laugh, your quiet voice and your wisdom. Most of all, how you loved your daughter, Destiny and the sacrifices you made for her. We'll miss you, but know you're with God.
