“ Kev and I became good golfing buddies over the course of many years at McDowell Mtn. Kevin had a very unique style and presence about him. He was quick to laugh and always made everyone feel welcome. I was sad to see him move to FL. This news made me even more sad. I hope I see you on the other side amigo’. Until then...

“ KEVVVVV! I was so sorry to hear about this. I will miss you brother. I love you and I will never forget the times we've shared. Hope they got enough kimchi up there for ya. I'll bring the fish sauce when it's my time. Rest in peace my dear friend.

“ I worked with Kevin for a winter in Arizona at a golf course. We got to play tons of golf together and he always wore flip flops, quite the tan lines! Good times Kevin, you will be missed!
